

Charity Calendar 2013

Capturing the Beauty of Donegal

All proceeds from the sale of this Charity Calender produced by Rose Blaney Photography will go directly to help provide food, shelter and education for the deprived children of the Shanty town of 'Finetown' in South Africa.

Sr Margaret Sweeney, a Salesian Sister, from **Fanad, Co. Donegal**, has spent the last 29 years working with the poor and underprivileged both in Lesotho and in South Africa. She has spent the last 7 years in Finetown, a large squatter camp or shanty town, south of Johannesburg, in South Africa. Sr Margaret's family organise various fundraising events for the charity such as New Years Day swim, table Quiz etc and all photos in this calendar have been supplied by Sr Margaret's niece Rose Blaney www.roseblaneyphotography.ie

Finetown is an economically depressed area in which social deprivation is the order of the day and in which the socio-economic reality is one of dire poverty, underdevelopment, family disintegration, unemployment and ill-health. These are the conditions in which the Salesian Sisters (FMA) and the Salesians of Don Bosco (SDB) are committed to work with and support vulnerable communities.

The children who attend the project often come hungry, so they are provided with two meals per day: Breakfast and lunch, and many are given food parcels to bring home. Some of these children are HIV positive – the exact number unknown – and need nourishment to keep well.

Anyone wishing to find out any more information on the charity or make a donation please contact Rose on 086 8054760 or Sallyanne 086 4048180 or email rose@theblaneygroup.com

Air To Water Heatpumps : Woodpellet Boilers : Sanitary Water Heatpumps : Heatrecovery And Ventilation

A photograph of a winter sunset. The sun is a bright yellow-orange orb low on the horizon, casting a warm glow across the sky. The sky transitions from a deep orange near the horizon to a pale, hazy blue at the top. In the foreground, the branches of a tree are heavily laden with snow, appearing as a dark, intricate silhouette against the colorful sky. The ground below is also covered in a layer of snow, with some distant trees visible on the horizon. The overall mood is serene and cold.
